September 2018

Dear <Name>,

Many of our individual successes trace back to our time at Kalamazoo College, the lessons we learned and the wisdom we gained from professors, friends and our K experiences. As alumni, we have the ability to provide current and future students with the same opportunities that helped us develop the skills necessary to thrive in our ever-changing world.

Now, more than ever, students need to develop the skills that allow them to succeed in their chosen careers. Fortunately for K students, organizations are looking for graduates with skills cultivated through the *K-Plan*—leadership, written and oral communication, critical thinking and problem solving.

When you give to the Kalamazoo College Fund, you help K meet the growing academic and career development demands of each student. Your gift enhances the rigorous academic curriculum and the experiential learning opportunities that allow K students to advance in the world.

Please join **me/us** in making a gift to the Kalamazoo College Fund to support the same life-changing opportunities that helped us become who we are today. You may make your gift by completing the enclosed response card or by going to **<kzoo.edu/onlinegiving or kzoo.edu/reuniongiving>**. Thank you for your consideration.
